Sixth Sunday of Easter

Michael is Running a Marathon!

My brother and I are running our first marathon on May 19th in Fargo! In addition to our personal goals, we are raising money for First Choice Clinic in Fargo. First Choice Clinic offers free pregnancy tests, ultrasounds, prenatal/parenting education classes, along with providing post abortion recovery resources. As a person that supports the Pro-life movement, it was an easy decision to raise money for them. If you would like to support the cause, you can either donate on the church website or contact me for the information to write a check. If you feel like going above and beyond to motivate me, you could pledge a certain amount that would be donated if I finish the Marathon in less than three hours.

God Bless, Michael Mettler

Scripture Reflection by Father Matt

Dear sisters and brothers in Christ Jesus,

Every good thing we do begins with the inspiration of God's Holy Spirit. St. Peter reveals this in this Sunday's reading from the Acts of the Apostles. He is preaching to and praying with a group of Gentiles when they begin to exhibit the presence of the Holy Spirit active within them by: "*speaking in tongues and glorifying God.*" Peter's response to this manifestation of God in them is to demand that they be baptized. The Sacrament confirmed the work the Holy Spirit had begun in them.

We respond to God's love with acts of faith, but God acts first. As St. John says: "*In this is love: not that we have loved God, but that he loved us and sent his Son as expiation for our sins.*" Our good works should find their motivation in loving response to the gift of our salvation. Jesus' exhortation in our Gospel backs this up: "*Love one another as I have loved you.*" Having received Jesus' love, we know how and why we are to pass that love on to others. We keep God's commandments so that we might remain in God's love. We love, not to earn some new grace, but out of gratitude for grace already received.

Peace in Christ,
Fr. Matthew Kuhn

Response to Survey Results:

There were a few people that mentioned it would be nice to have more quiet time to reflect during mass and prepare themselves for communion. I certainly understand that viewpoint. It is a very good thing to prepare yourself mentally and spiritually to receive the Precious Body of Jesus. Ideally, we would have silence at some points in the mass to allow for this. However, in our parish, when there is no music, is it really quiet? With the youth in our parish, sometimes it can be quite loud. So, I guess the real question to ask here is: Would you rather hear the music or would you rather hear the crowd noise of the children? Just to be clear, I love that our parish is as young as it is. We just need to make certain adjustments for that reason and there is nothing wrong with that. We also need to make sure there is not too much dead air for the radio 8:00 am mass and the TV 10:30 am mass. If you would like to respond to this, please contact me! I would love to hear any feedback.
